delivery quota of about 1,300 tons is about as high as those during the last months.

2. Comment. Probably, medical equipment or empty casks for the medical depot of the GOFG

25X1

3. Comment. The rate of food ration supply from Leipzig [redacted] continue at the level of the preceding months. The receiving offices are known.

25X1

4. Comment. Regular shipments from Leipzig to GOFG tank and motor vehicle repair shops in Fuerstenwalde and Muellrose.

5. Comment. It is of interest that all six armies appear to have been supplied with the same item of equipment.

6. Comment. Apparently, return shipments to the USSR of obsolete material [redacted]

25X1

7. Comment. Regular shipments of aviation gasoline to naval air force division, and to the fuel depot of the Twenty-Fourth Air Army [redacted] in Aken,
